Arbor Day

**APR. 27 | 9 AM - 11 AM | FREE
RAVINIA WEST LOT (301 RAVINIA
PARK RD.)**

Part of what makes Highland Park so special is its thriving and robust urban canopy of approximately 30,000 street and public trees. 2024 will be the City's 44th year as a designated Tree City USA! Celebrate Highland Park's deep-rooted commitment to the environment on Arbor Day, Saturday, April 27, at the Ravinia West Lot (301 Ravinia Park Road). This year, we've got a ton of fun and interesting interactive stations including an electric vehicle showcase, confidential document shredding, touch-a-truck, meet & greets with birds of prey, a tree planting demonstration and Q&A, and of course, no Arbor Day celebration would be complete without a tree giveaway! This event is going to be so fun, you'll never want to leaf! More details coming soon!

Ceremony & Sound Healing

MAR. 19 | 7:30 PM - 8:45 PM | \$44

Celebrate and welcome the light coming back to us and within us during the Spring Equinox! The equinox symbolizes a moment of balance and renewal, where day and night are approximately equal in length. This magical event has been celebrated as a time of rebirth, fertility, and new beginnings, observed through various festivals and rituals around the world that reflect the awakening of nature and the promise of warmer days ahead. Join in a meditation to create new, positive, fresh seeds of intention in alignment with your soul's purpose: your dharma! Then, participate in a planting ceremony to physically plant your intentions and sprinkle crystals on them to add the magic! Finally, seal those intentions in with a relaxing sound healing. This is a powerful ceremony that will bring in new energy to your life!

ARE YOU TIRED?
Sleeping on the wrong pillow can cause you to not only lose sleep, but can cause neck pain, headaches, TMJ, and even shoulder or back & hip pain. Let us help you discover the right pillow that will give your neck the correct support for pain-free sleep...

Massage & Sleep
Research has shown that massage can influence the brains secretions of serotonin and melatonin while infusing the body with endorphins to relax and calm the active mind, relax tense muscles and lower heart rate and blood pressure. The world is sleep-deprived and we are here to help you regain your health through massage and education about how to get better sleep.
